BULLETIN OF MATHEMATICAL BIOLOGY

A journal devoted to research at the interface
of theoretical and experimental biology

Editor
LEE A. SEGEL, The Weizmann Institute of Science, Rehovot, Israel

Publication Board Chairman
ALAN S. PERELSON, Los Alamos National Laboratory, Los Alamos, NM

Associate Editors
ROY M. ANDERSON, Imperial College, London, U.K.
J.-P. CHANGEUX, Institut Pasteur, Paris, France
PAULINE HOGEWEG, State University of Utrecht, The Netherlands
SIMON A. LEVIN, Cornell University, Ithaca, NY
DONALD LUDWIG, University of British Columbia, Vancouver, BC
HANS MEINHARDT, Max Planck Institute, Tübingen, F.R.G.
JAMES D. MURRAY, Centre for Mathematical Biology, University of Oxford, U.K.
FUMIO OOSAWA, Nagoya University, Nagoya, Japan
GARRETT M. ODELL, University of Washington, Seattle, WA
HANNA PARNAS, Hebrew University of Jerusalem, Israel
SHIMON ULLMAN, Weizmann Institute, Rehovot, Israel
MICHAEL S. WATERMAN, University of Southern California, Los Angeles, CA

Book Review Editor
JOHN TYSON, Virginia Polytechnic Institute, Blacksburg, VA

Software Survey Editor
G. B. ERMENTROUT, University of Pittsburgh, PA

Co-ordinating Editor Special Issues
MARC MANGEL, University of California, Davis, CA

Annual Subscription Rates

Annual institutional subscription rate (1989) U.S. $285.00. Two-year institutional rate (1989/90) U.S. $541.50. Personal subscription rate for those whose library subscribes at the regular rate (1988) U.S. $72.00. Members of the Society for Mathematical Biology may order personal subscriptions at a concessional rate and details of these rates are available on request. Prices are subject to change without notice. Subscription enquiries from customers in North America should be sent to: Pergamon Press Inc., Maxwell House, Fairview Park, Elmsford, NY 10523, U.S.A., and for the remainder of the world to: Pergamon Press plc, Headington Hill Hall, Oxford OX3 0BW, U.K.

Requests for information regarding Society membership should be sent to the Membership Committee Chairman: Paul Rapp, Medical College of Pennsylvania, 3300 Henry Avenue, Philadelphia, PA 19129, U.S.A.

Microform Subscriptions and Back Issues

Back issues of all previously published volumes are available direct from Pergamon Press. Back issues of Pergamon journals in microform can be obtained from: UMI, 300 North Zeeb Road, Ann Arbor, MI 48106, U.S.A.

Published in six issues per annum.

Copyright © 1988 Society for Mathematical Biology.

It is a condition of publication that manuscripts submitted to this journal have not been published and will not be simultaneously submitted or published elsewhere. By submitting a manuscript, the authors agree that the copyright for their article is transferred to the Society if and when the article is accepted for publication. However, assignment of copyright is not required from authors who work for organisations which do not permit such assignment. The copyright covers the exclusive rights to reproduce and distribute the article, including reprints, photographic reproductions, microform or any other reproductions of similar nature and translations. No part of this publication may be reproduced, stored in a retrieval system or transmitted in any form or by any means, electronic, electrostatic, magnetic tape, mechanical, photocopying, recording or otherwise without permission in writing from the copyright holder.

Photocopying information for users in the U.S.A.
The Item-fee Code for this publication indicates that authorization to photocopy items for internal or personal use is granted by the copyright holder for libraries and other users registered with the Copyright Clearance Center (CCC) Transactional Reporting Service provided the stated fee for copying, beyond that permitted by Section 107 or 108 of the United States Copyright Law, is paid. The appropriate remittance of $3.00 per copy per article is paid directly to the Copyright Clearance Center Inc., 27 Congress Street, Salem, MA 01970.

Permission for other use.
The copyright owner's consent does not extend to copying for general distribution, for promotion, for creating new works, or for resale. Specific written permission must be obtained from the publisher for such copying.
The Item-Fee Code for this publication is: 0092 – 8240/88 $3.00 + 0.00.
